

# DECLARATION *of* BLESSING

I believe  
and declare that  
God is able to  
make all grace  
abound towards  
me so that in all  
things, at all times,  
having all that I  
need, I will  
continue to  
abound in every  
good work.

I believe and declare that he who supplies seeds to the sower and bread for food will also supply and increase my store of seeds and will enlarge the harvest of my righteousness. God is enriching me in every way so that I can be more generous on every occasion and my generosity will result in more thanksgiving to God. I believe and declare that he gives me power to make wealth through new business ideas and all kinds of inventions, creativity, uncommon favours and blessings, jobs or new jobs.

I believe and declare that he who watches over his word to perform it and who supplies my needs according to his riches in glory will cause men to give unto me in good measure, pressed down, shaken together and running over. He will rebuke every devourer and open the windows of heaven to pour out blessings I will not have enough room to contain. I declare that I am blessed in the city and blessed in the country. Blessed is the fruit of my body, the fruit of my basket and the work of my hands in Jesus' name. AMEN.
