

SPRING CLEANING

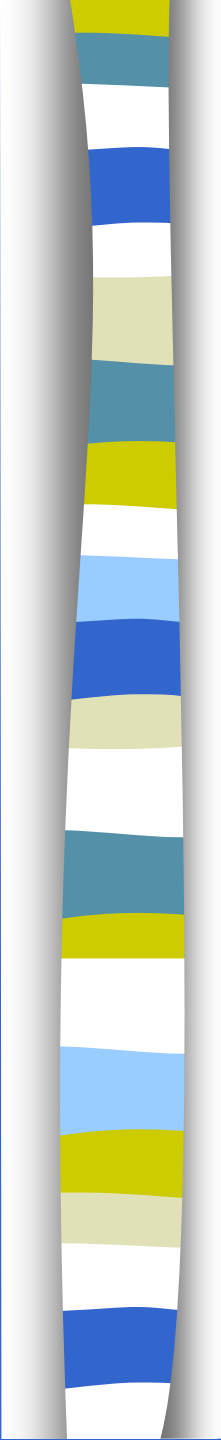

Heavenly Father, I stand
here before you today
Recognising and
acknowledging that there
are areas in my life where I
have not seen or known
your blessing and freedom
as you intend for me such as

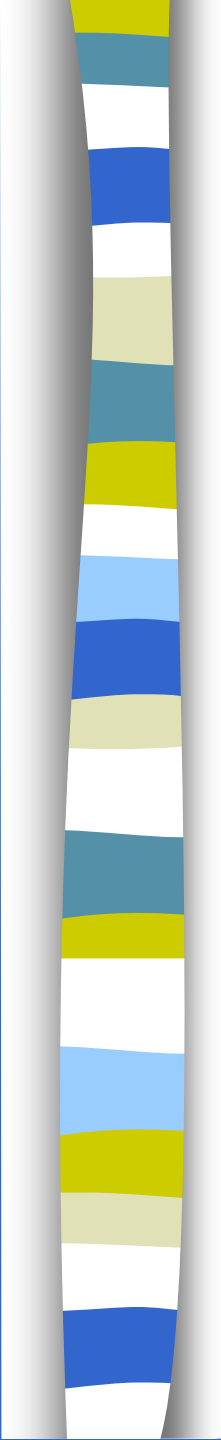

.....

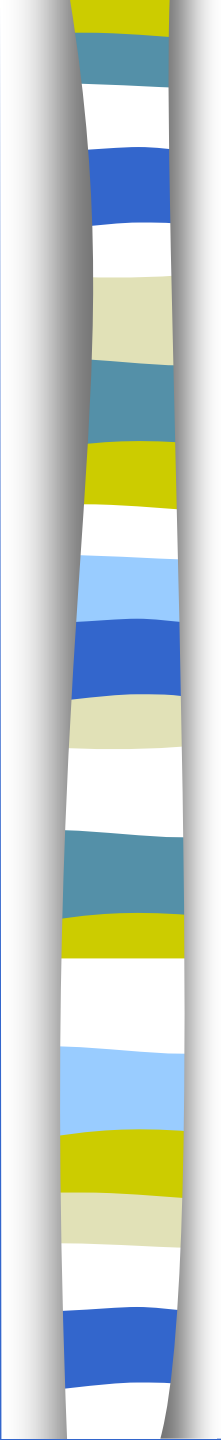

I **Repent** and turn away from any personal sins and rebellion that have led to blockages and limitations in my life. I also stand in the gap on behalf of my ancestors and repent of any generational sins and resultant curses such as.....

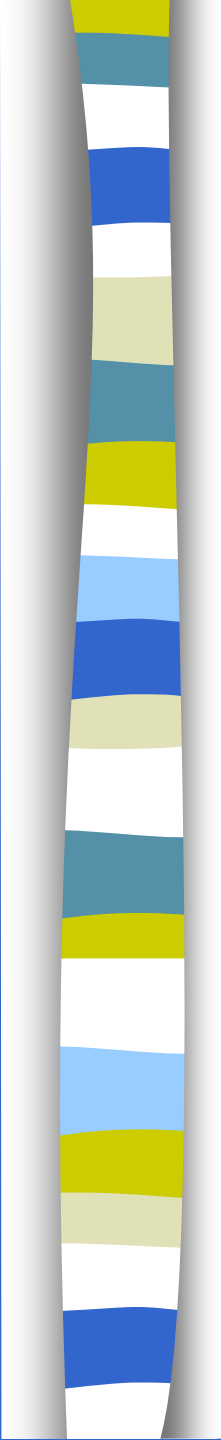

I **Release** forgiveness to those who have been responsible or whom I have held responsible for the sins that have led to these blockages and limitations. I also ask you to forgive me for the part I have played through my own sins and unforgiveness.

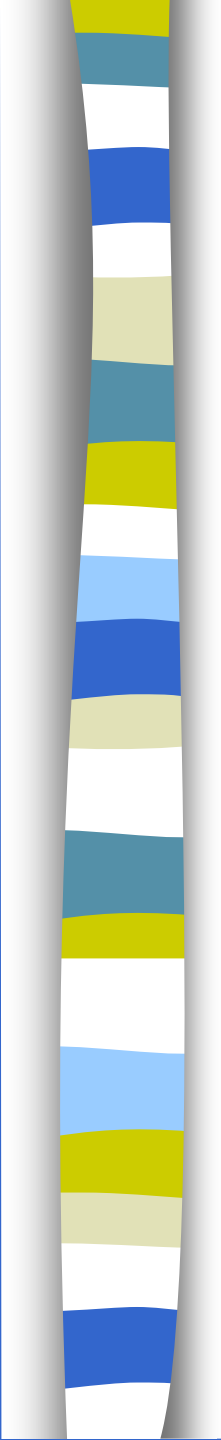

I **Renounce** and turn away from every agreement made knowingly or unknowingly with the works of darkness. I commit myself, as your Holy Spirit directs me, to remove and destroy any objects or things that I have tolerated that do not glorify God in my life such as.....

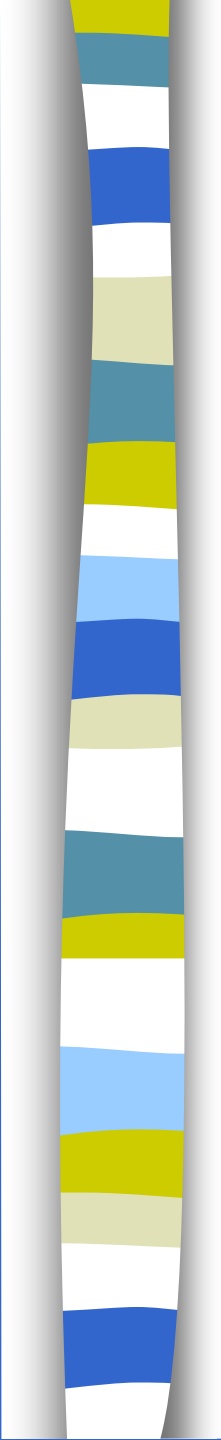

I renounce and break ungodly alliances and influences, strongholds and patterns of behaviour that have dominated certain areas of my life and ask you for the power to overcome and walk in total freedom.

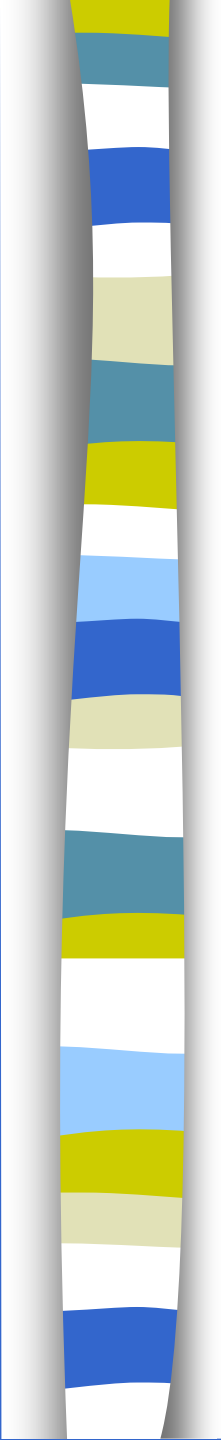

Where there are demonic entities that have taken advantage of me in these areas, I command them in the name of Jesus to leave me now as I take and bring back every ground under the Lordship of Jesus.

As I give myself again to you, body, soul and spirit, I **Receive** a fresh impartation of your Holy Spirit and with him, freedom, blessing and fruitfulness in every area of my life where there is dryness and barrenness.

I declare that I am free and I chose to stand in this freedom and refuse to be entangled again by the yoke of slavery. Lord Jesus, from this day forward, help me to live a life that is worthy of you and teach me how to abide in you. If I miss the mark,

help me to run back to your
open arms and not run
away from you. I ask you to
surround me with brothers
and sisters who will
encourage me and to
whom I can be
accountable, as I walk in
this increasing measure of
freedom. AMEN.
