The image features a central, dark, irregular ink blot or watercolor splash on a white background. The blot has a textured, organic shape with some darker and lighter areas. Centered within this blot is the text "The Power of Small" in a clean, white, sans-serif font. The text is arranged in two lines: "The Power of" on the top line and "Small" on the bottom line. The overall composition is simple and visually striking due to the contrast between the dark ink and the white text and background.

“except a flask jar of oil”.

2 Kings 4:4

Provision

We can be certain that God will give us the strength and resources we need to live through any situation in life that he ordains. The will of God will never take us where the grace of God cannot sustain us.

Persistence

Perseverance in prayer is not overcoming God's reluctance but rather laying hold of God's willingness. Our sovereign God sometimes requires persevering prayer as the means to accomplish His will.

Timothy Keller

A poor widow came and put in
two very small copper coins,
worth only a fraction of a penny.
Mark 12:42

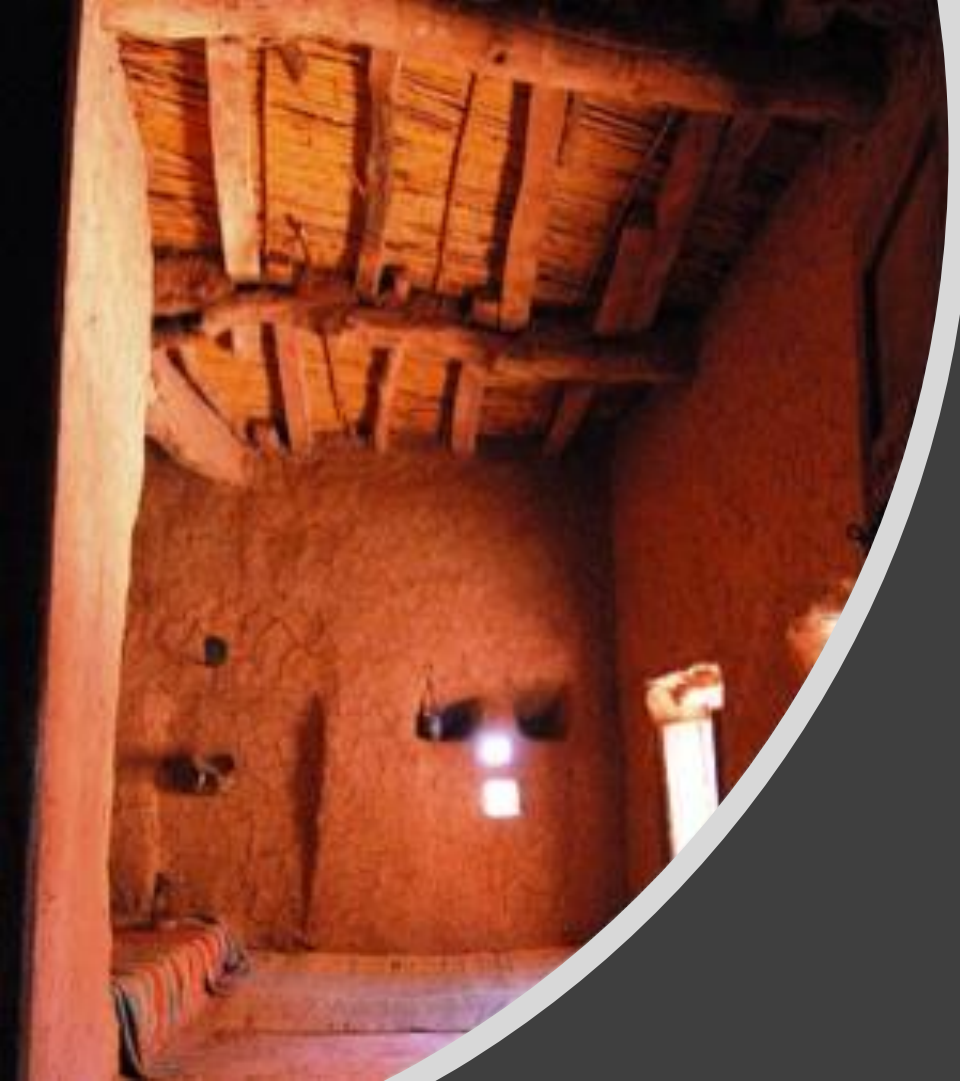

Sacrifice

Nothing of spiritual significance comes without sacrifice. Your spirituality will always be measured by the size of your sacrifice

A small mustard seed

I tell you the truth, if you had faith even as small as a mustard seed, you could say to this mountain, 'Move from here to there,' and it would move. Nothing would be impossible. Matthew 17:20

Faith

Those that God used in the past were just ordinary people with an extraordinary Master. They were not all champions of great faith, but little people who saw their own need, and put their small faith in a great God.
Joyce Meyer
