

Revisiting Prophetic Words

20 February 2026

Revival has come, the river is flowing. The rain...the latter rain the former rain are falling, it's falling, it's falling. The winds from the north, from the south, from the east, from the west are blowing. The fire is falling, revival is here. The oil is pouring. The new wine is pouring. He says he's going to pull together every revival from the first revival at Pentecost, the Azusa street revival, the Monrovia revival, the latter rain revival, the word of healing revival, the Pensacola revival, the Toronto revival, the Scottish revival, the Welsh revival, the John Wesley revival, the William Booth revival and Catherine Booth revival. He's putting them all together, he's putting them all together, multiplying them by thousands and thousands and he's pouring them down on us, without measure, without measure.

He asked pastor, can I borrow your church?
And pastor said, 'The church is yours Lord'.
He has reallocated us, he is reconstituting us, he is readjusting us and we are just going to be woken up (the time to wake up has come) just like that, that like that, knowing the Lord, knowing the purpose and plans that he has for us before the foundation of the earth. We will just walk into it.

He said that he will tabernacle over nations, he will tabernacle over cities, he will tabernacle his glory over cities, over nations, over schools, over colleges, over universities, over the House of Commons, over the House of Lords, over the churches, over Europe.

He will tabernacle his glory. The glory of God will tabernacle... even the heathen will say that this is God. Miracles, signs and wonders will be happening as we have never seen it before. He's pouring it, he's pouring it, this is the time, it's come. He has come, he has come.

We give you the glory Lord and we say thank you Father. We just say we welcome you Lord, we welcome you and we lay ourselves down for you to walk on us, to rule over us, to reign over us. This is what we've been waiting for Lord. Thank you Father, in Jesus' name. Amen.

I felt God saying to me, “Open your eyes, what do you see?”

My eyes went to the new camera above.

I sensed he was saying:

“What is hidden now will eventually be seen.

There is a window of opportunity to repent.

The pure and the impure are mixed.

There is a time coming when the current mercy will not be extended.

It is time to purify your hearts and get rid of hidden sins which will ultimately be exposed.

It is a day of amnesty.

The Lord is 'calling time' now. You think that you can get away with it now, but in love, he's saying 'it's enough'.

You know it's wrong, but you're hardening your heart because the sin is too pleasant. Too addictive.

He says, I am not desiring to shame my people, just giving an opportunity to be cleansed and set free. Not to make spectacle of you, as Jesus has already been made a spectacle of on your behalf.

A new level of freedom is available. A new level of purity and holiness. There is an invitation to be made whole.”
